**First Virginia Community Bank Announces Common Stock Offering**

Fairfax, Virginia. First Virginia Community Bank (“FVCbank”), a \$420 million commercial bank headquartered in Fairfax, Virginia, announced that it has commenced an offering of a minimum of 700 thousand, and up to 1.4 million, shares of its common stock at an offering price of \$14.00 per share. FVCbank may increase the number of shares offered by 400 thousand shares in the event that the offering is oversubscribed. FVCbank expects to use the proceeds of the offering, \$9.8 million if the minimum number of shares is sold, \$19.6 million if the maximum number of shares are sold, and \$25.6 million if all of the oversubscription shares are sold, in each case before expenses of the offering and fees and commissions payable to the sales agents, to support its lending, deposit taking and investing activities, to support the growth and expansion of the bank and for general corporate purposes.

The offering is expected to close on or about May 10, 2013, subject to extension to May 31, 2013.
